2013 CTTL Institute

Join UBC educators, May 27–31, in an investigation of UBC’s current teaching and learning initiatives and approaches. The CTTL Institute offers an opportunity to network with colleagues, share practices, and survey teaching, learning, and technology case studies and critical perspectives.

Faculty Spotlight - 3M National Teaching Fellow Dr. Simon Ellis

Two UBC professors, Dr. Darren Dahl and Dr. Simon Ellis, have recently been named 2013 3M National Teaching Fellows. In the March newsletter, we talked with Dr. Dahl. For this issue, Dr. Ellis discusses his teaching philosophy and experience. Here’s what he had to say.
